After completing the clinic, participants will enjoy *'happy hour'* on the Jones Pro Shop deck situated right next to the stunning Robert Trent Jones Sr. Masterpiece course. Beverages and bites will be served from 6:00 to 7:30. Women's Golf Day is about empowering women through golf, and a terrific opportunity to build anyone's game and connect with others in a fun, supportive setting. Space is limited.

Women's Golf Day (WGD) was launched in 2016 and is unique in the sports world. Starting in New Zealand and ending in Hawaii, this weeklong celebration of women's golf takes place in 2025 from May 27th, through to Tuesday June 3rd, WGD's Birthday. Women around the globe unite through their love of golf and are encouraged to wear Red and White. Thousands of women share photos and posts from WGD events on social media tagging in @womensgolfdays using the hashtags #womensgolfdays #WGDUnites.

Elisa Gaudet, Founder of Women's Golf Day (WGD), comments, "More women and girls are taking up the sport of golf, which is fantastic, but many women simply don't know how to get started or where to play, which is why WGD events really help. They connect women to courses like Treetops Resort and the community of women who already play there. It's important to women to find a location where they know they will be welcome and, if they enjoy themselves, they are likely to continue to learn and play with friends and family."
